An hour of market testing saves thousands of pounds of error,

**emotional distress & helps you avoid the feeling of overwhelm
and giving up.**

**The path to digital marketing
success is typically
counter-intuitive,**

**so be open minded and always talk to people who have done this
before**

**Every Lead generation campaign
is a test. Always approach with
an open mind remember**

YOU ARE NOT YOUR CUSTOMER.

**Test your digital marketing using
the lowest investment/highest
return methods**

Use the " Research & Testing Step" each time you test your niche

**Digital surveys and consultations
are incredibly powerful methods
of testing use...
direct questioning tools!**
